RELEVANT EXPERIENCES

Hirsch Bedner Associates (HBA)

Designer | Atlanta, GA | May 2024 - Present

- Lead design presentations and shape experience-led hospitality interiors from concept through installation, including design narratives, consultant coordination, and FF&E development.
- Collaborate with clients, international consultants, and vendors to translate design intent into built form through procurement support, installation coordination, and design execution.
- Review documentation, shop drawings, samples, and specifications to support technical accuracy, design quality, and alignment with project standards.

Hirsch Bedner Associates (HBA)

Junior Designer | Atlanta, GA | Jul 2022 - May 2024

- Contributed to schematic design, design development, and construction documentation across hospitality projects.
- Supported material palettes, FF&E specifications, presentation materials, design standards, and site coordination to maintain design accuracy from concept through completion.

Century 21 Real Estate Office

Internship | Jakarta, ID | Sep 2020 - Mar 2021

- Assisted with interior design development, furniture design, FF&E sourcing, and project coordination with the architect, engineering, and contractor.
